AbelCine

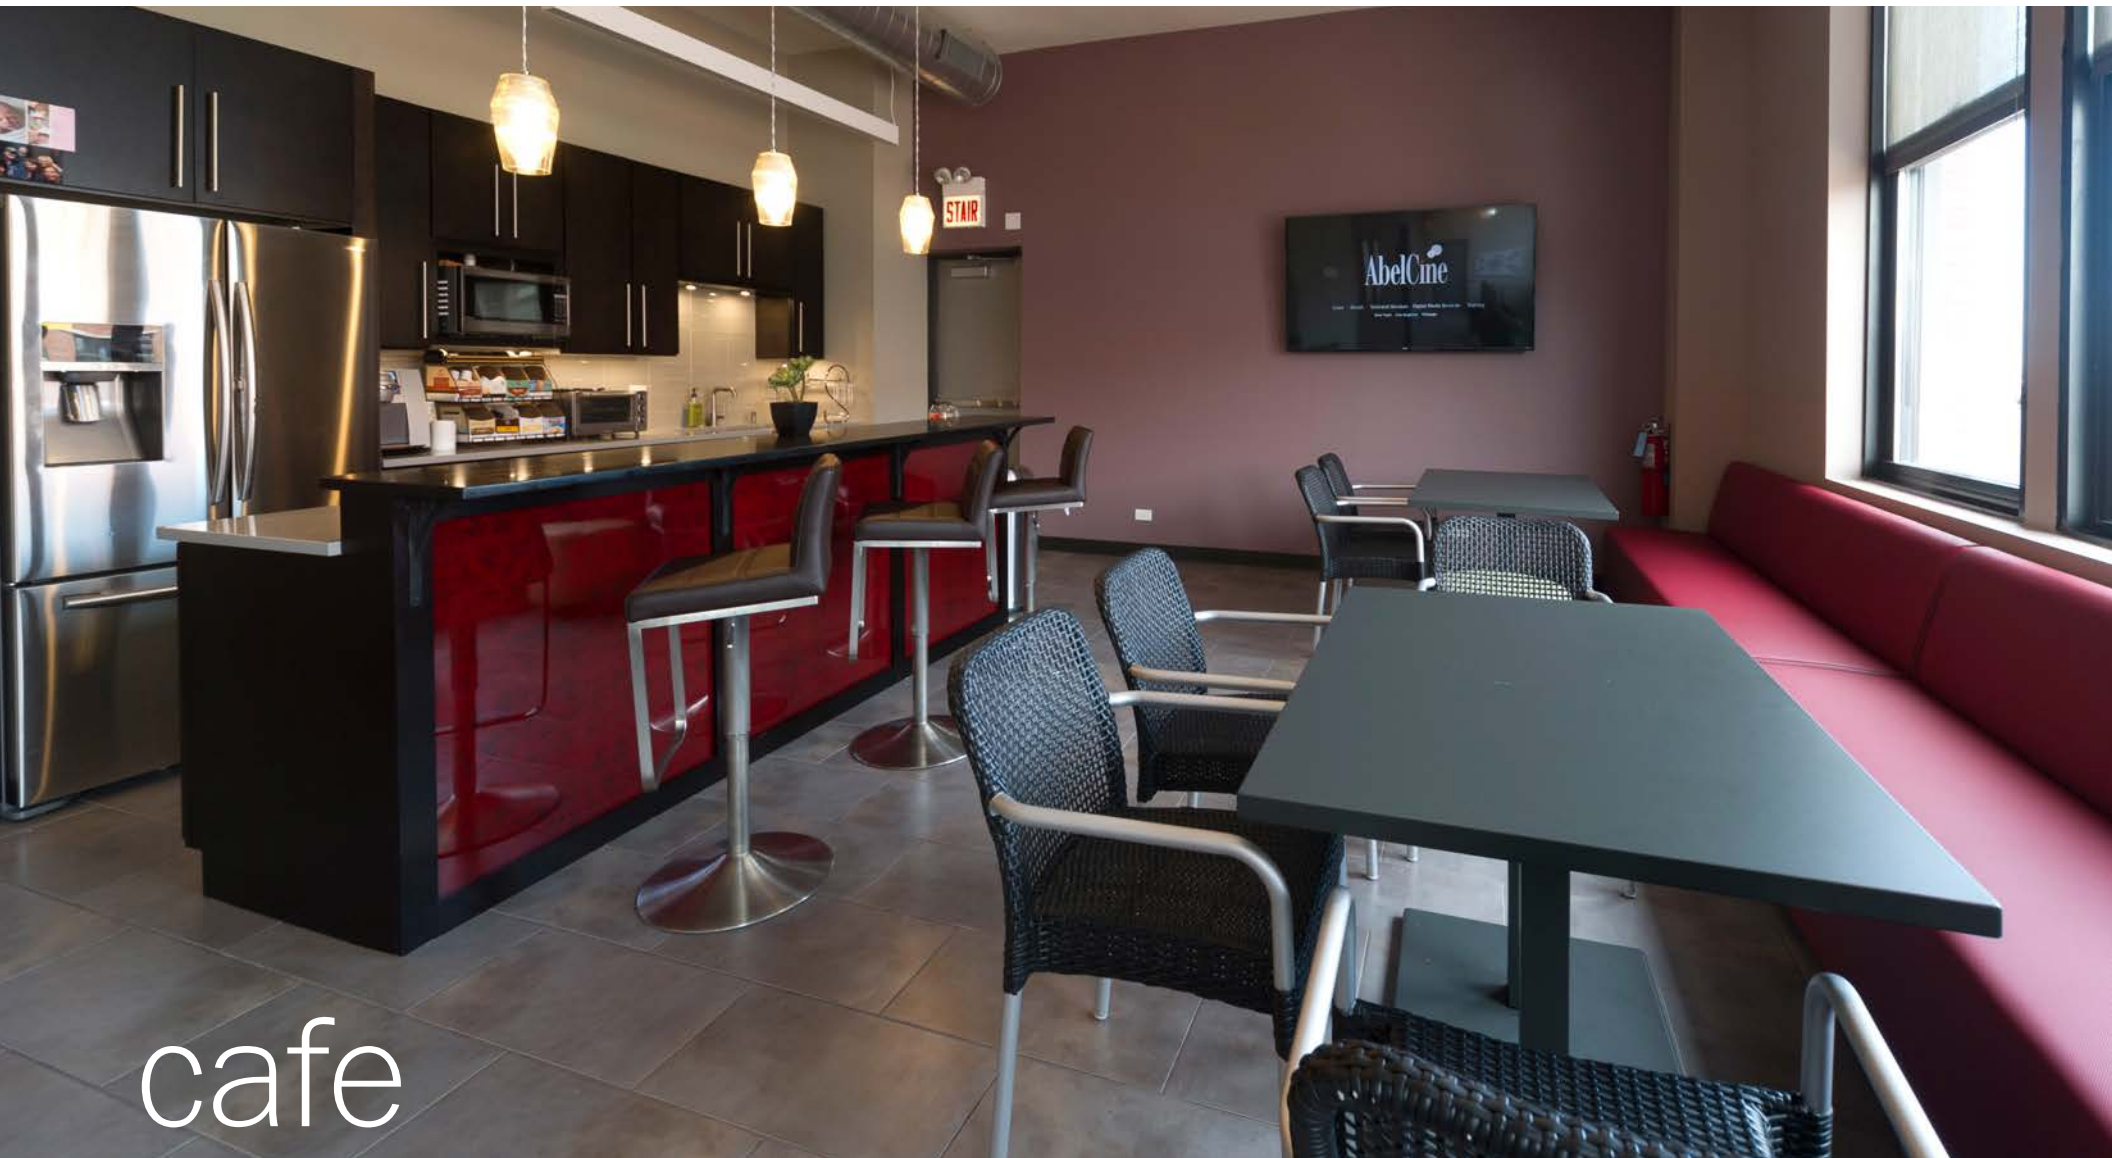

theater | studio

This flexible 1,026 sq ft theater, event, and studio space features a 164" diagonal screen and Christie 3DLP HD projector. It seats up to 65 in various configurations with three Panasonic HD PTZ cameras, multiple reinforcement monitors, full lighting grid, 7.1 surround sound, independent PA system, video switching, livestream, playback and recording.

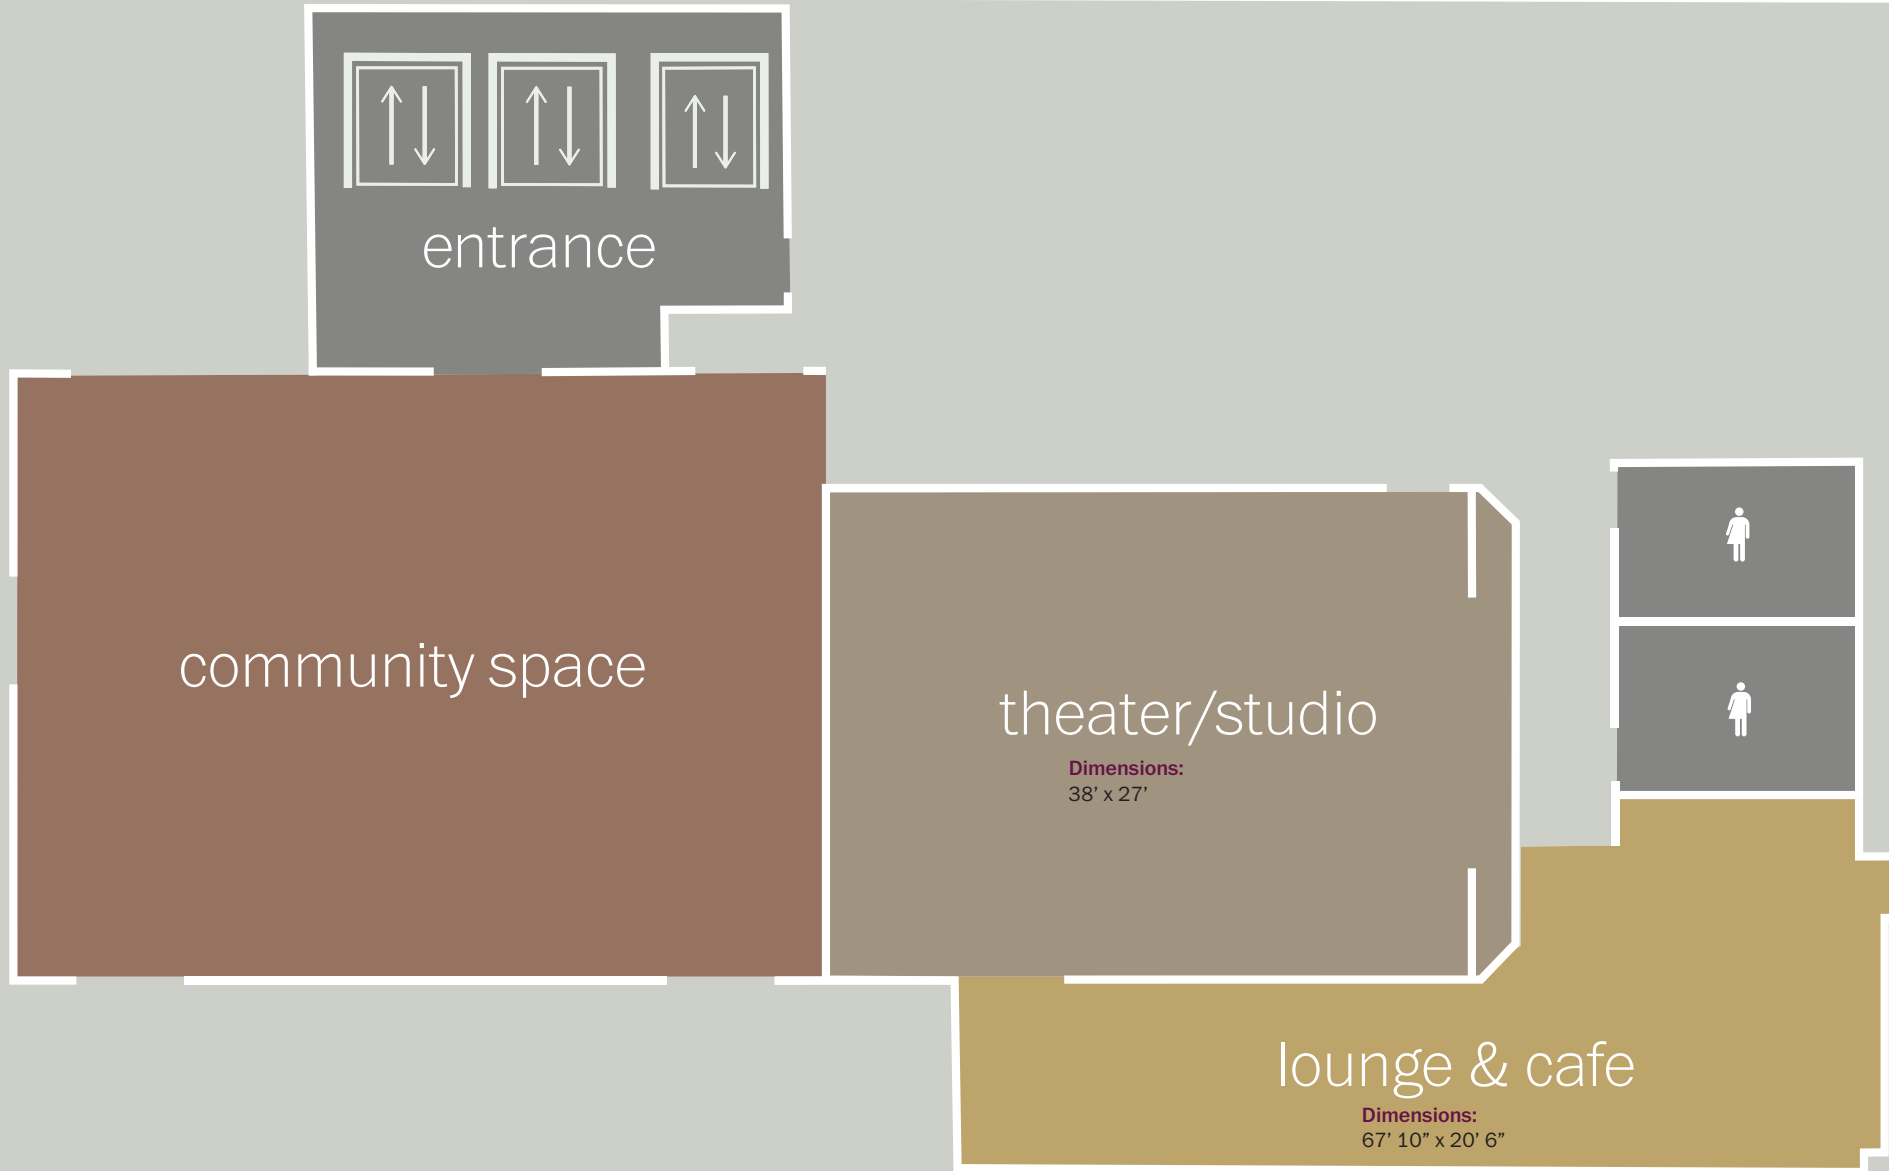

lounge

Adjacent to the theater, the 644 sq ft lounge area is perfect for meetups and networking events. With plenty of seating and easy access to the cafe, the lounge is equipped with speakers and monitors. Audio and video can be played in the space, including a feed from the theater.

cafe

Around the corner from the lounge, a 102.5 sq ft cafe is ready to serve snacks and refreshments. The kitchenette is outfitted with a counter, sink, refrigerator, microwave, and Keurig coffee machine.

The theater/studio and lounge & cafe areas are available to rent. These areas may be rented independently – theater or cafe & lounge – or all together. IFA's community space is shown for reference.
